Ms. Cecilia Rongey U.S. Bank 505 N. 7th Street, 7th Floor Saint Louis, MO 63101

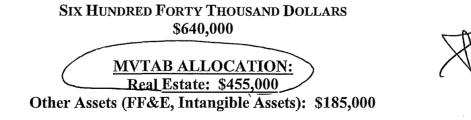

ATTENTION: This letter is from an appraiser obtained by the seller on October 21, 2022. A current appraisal could unveil a significantly different evaluation.

Real estate appraisal report of Hillcrest Residential Care located at 9415 N. Brown Station Road Re: in Columbia, Missouri, and under the ownership of Hillcrest Residential Care, Inc. File No.: C2209022

Dear Ms. Rongey:

Per your request for professional valuation services, this appraisal report has been prepared in accordance with the agreed upon scope of work and presents details and analyses in support of the conclusion of the as is market value of the fee simple estate in the referenced parcel of real estate, as of October 6, 2022. Given the type of property appraised herein, the scope of work includes an allocation of the real estate, tangible personal property (FF&E) and intangible property as components of the market value of the total assets of the business (MVTAB). The market value opinion is based on a going-concern premise as this results in the highest and best use of the property. The going-concern premise assumes that if actively marketed and sold, all tangible and intangible assets would be purchased together for continued use, for which the real estate component is designed and presently operated. The reader is referred to the definitions located on a following page. The typical financial assets of cash, accounts receivable and inventory are not included in the opinion of value.

Our opinion of the market value of the total assets of the business (MVTAB) is:

The value reported is also qualified by certain definitions, assumptions, limiting conditions, and certifications, which follow the description and analysis of the subject property. This letter is invalid if detached from the report.

The appraisal is subject to the following extraordinary assumptions: None

The appraisal is subject to the following hypothetical conditions: None

The use of the extraordinary assumptions and hypothetical conditions might have affected the assignment results.

The appraisal report has been prepared in accordance with the client's guidelines, Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA), the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute, and the *Uniform Standards of Professional Appraisal Practice* (USPAP).

Please contact the undersigned if there are any questions concerning the report. Thank you for the opportunity to be of service.

Respectfully,

Thora
